

EARLY CLASSIFICATION & SQUADDING

In an effort to decrease the long lines which occur on the first morning of each shoot, PSSA will open a limited number of windows at Classification, Squadding, and Cashiering on the evening prior to the opening day of the **Keystone Open, Colonial Classic, and the Westy Hogan**.

These services will be provided from 6:00 pm till 8:00 pm. Plan to take early advantage of these opportunities - windows will close at stated times. Pre-Squadding confirmation will be available at that time.

MODIFIED TEN TARGETS PER POST

To maximize the number of shooters who can be accommodated on any given day, PSSA will institute a policy of shooting 10 Targets/Post in a modified fashion on most Singles Events.

In an effort to satisfy as many shooters as possible while also maintaining the efficiency of the trap line, we will use the following procedure.

Each shooter will take fifty shells to the line. Instead of shooting ten targets per post - you will shoot five targets per post twice - without leaving the line. Upon completion of the first twenty-five target event all shooters will immediately rotate back to their original position and begin again. **THERE WILL BE NO REST IN BETWEEN "SUB-EVENTS" NOR WILL THERE BE ANY ALLOWANCE FOR SHOOTERS TO GO BACK TO THE BENCH TO PICK UP MORE SHELLS.** In effect you will shoot ten stations without a break and then move on to your second trap to complete the event.

If shooters cooperate with the PSSA by following this procedure, and we find that an adequate amount of time is saved, then PSSA will continue to shoot selected singles events in this fashion. If shooters choose to ignore the rules by taking a break or going to the bench to retrieve another box of shells or to "take a smoke break," etc. then shoot management will institute the straight 10 targets per post procedure for all other events requiring this arrangement.

At this time PSSA does not anticipate using any form of the ten targets per post procedure for handicap events - but reserves the right to do so if attendance warrants the change.

Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. **Once you leave the cashier window, your entry cannot be changed for options or squadding.**

GREETINGS FROM THE PRESIDENT OF THE PSSA

GREETINGS FROM THE PRESIDENT OF THE PSSA

I was honored and humbled at the PSSA Annual meeting when I was selected to be the President of this fine organization. I would be remiss if I did not once again thank and congratulate Bruce Murphy for his 11 years of service as the PSSA president. During Bruce's tenure much was accomplished with our Association and he should be proud of his legacy.

I first traveled to Elysburg to shoot the PA State shoot in 1986. Back then banks 7 & 8 did not exist nor was there an upper campground. The facility then used 40 traps and you walked the entire line to shoot your 100 targets as there was no "bank" system in place. My, how times have changed!

Even though there have been a tremendous number of improvements in the grounds and equipment over the years there is always more to do. Annual maintenance of the existing facility is a huge job and Chuck Fritzges and his quality team are constantly alert to areas where improvements can be made.

As we enter the 2009 shooting season, I realize that we are competing for your hard earned recreational dollars. Difficult economic times make it critical that we deliver on our promise to make the PSSA facility one of the premier shooting venues in the country.

As we look at how we provide shooting services, a threshold question that is always asked is "how will this expenditure or procedure benefit the shooter".

Once again, I am delighted to serve as your new President and I look forward to seeing you at the 2009 PSSA shooting events!

Make sure that the card presented to the committee is correct and contains all current data with your singles and doubles averages computed correctly. Any shooter who deliberately submits an erroneous card will be reported to the ATA for disciplinary action.

Registered and non-registered shoots will be used by the committee as a basis for determining "known ability." Abnormally low scores will be disregarded at the discretion of the committee.

LADIES EVENTS

The PSSA invites all ladies to participate in Bingo and Card Parties in the Ladies Lounge at various times throughout the State Shoot. Dates and times will be posted in the lounge. Phyllis Zenzel will be coordinating these activities.

MISSED SQUADS - EVENTS

Individual shooters will not be paged during any event. Shoot management will keep the electronic ready board sufficiently ahead to give all shooters ample time to be at their assigned starting traps. Line personnel will be instructed to start each squad immediately upon the completion of the prior squad, without waiting for any individual shooter.

Any shooter who is late for a sub-event will have to make it up at the practice trap, or where designated by shoot management. **If a shooter misses a sub-event, he or she should make every effort to complete the remaining sub-events with the squad and then REPORT TO THE PRACTICE TRAPS for instructions to make up the missed sub-event. DO NOT TAKE THE SCORESHEET TO THE PRACTICE TRAP.**

SHOOTERS MISSING MORE THAN FIFTY TARGETS MUST BE RE-SQUADED AND WILL INCUR A \$10.00 PENALTY.

PSSA is committed to helping our sport by encouraging young shooters to participate, but will not subsidize the playing of options.

SPECIALCATEGORYDECLARATIONS

In accordance with the ATA rules (Section IV, Rule J)

"All ladies, juniors, sub-juniors, veterans, and senior veterans, must declare their special category at the time of their entry in any registered event. Without such declaration at the time of entry, the shooter will not be allowed to compete for the applicable special category trophies."

The PSSA hereby designates as the point of entry the classification window where an appropriate entry shall be made. Once the appropriate entry is made, it shall remain in effect until changed by the shooter returning to classification and requesting a change.

A change cannot be made once a shooter has fired the first shot in the event.

SQUADDING

A shooter will only be allowed to request one position per event per ATA number. Shooters desiring to request more than one position per event must have the ATA cards for each of the prospective squadmates, and those squadmates may not have already reserved a position in the event. **SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.**

Management will make every attempt to provide sufficient banks and flights to meet the needs of anticipated number of shooters. Squads for all events are available on a first come - first served basis. Remember that many squads will have been taken by shooters who pre-squadded, particularly on Banks 1, 2 and 3. In order to keep the shoots running in an efficient manner, new flights will not be added until the flights currently opened are sufficiently filled to justify a new flight. Please pull only the squad tickets you anticipate filling and relinquish unwanted positions as early as possible so that we will have an opportunity to re-issue those positions. **Remember: IF YOU HAVE ALREADY RESERVED A POSITION FOR AN EVENT YOU WILL NOT BE ABLE TO SELECT ANOTHER POSITION UNTIL YOU HAVE RELINQUISHED THE FIRST. THE SOFTWARE HAS BEEN DESIGNED TO ALLOW ONLY ONE POSITION PER EVENT PER ATA NUMBER.**

TARGET REQUIREMENTS - PENALTIES

Keystone Open & Westy Hogans - A minimum of 1000 16 Yard, 1000 Handicap, and 500 Doubles Targets during the previous target year and the current target year. No minimum during this target year if above minimum is met in the previous year.

Colonial Classic, State Shoot, PA Grand

NOTE: All targets shot in September and October of 2008 will count toward minimum target requirements listed below.

16 Yards - A minimum of 1500 registered targets during the current target year and the two previous years, 500 of which must have been shot after September 1, 2008, to avoid the penalty class. **Handicap** - A minimum of 1500 registered targets during the current target year and the two previous years, 500 of which must have been shot after September 1, 2008, to avoid the penalty yardage. **Doubles** - A minimum of 1000 registered targets during the current target year and the two previous years, 300 of which must have been shot after September 1, 2008, to avoid the penalty class.

Penalties

In the event the above target requirements are not met before the first day of the Keystone Open or Westy Hogan, Wednesday of the State Shoot or the first day of the PA Grand, shooters shall be required to shoot in not less than Class A for 16 Yards and Doubles. In Handicap, a shooter with insufficient targets will be penalized two yards beyond his ATA yardage with a minimum of 23 yards. Ladies and sub-juniors who do not meet the target requirements for handicap events will follow the same rules except with a minimum of 22 yards. Senior veterans will not be penalized for handicap events, and they are eligible for trophies and monies.

PENALTY YARDAGE MAY BE WAIVED BY ANY SHOOTER SO ELECTING; HOWEVER, SUCH WAIVER SHALL PROHIBIT THEM FROM WINNING ANY TROPHIES AND/OR MONEY (including Added Money), AND PROHIBIT THEIR PARTICIPATION IN SPECIAL OPTIONS (i.e., "Grand Giveaway").

It is the shooters' responsibility to make sure that their classification and/or handicap yardage is correct and that they have complied with all target requirements.

Shoot management specifically reserves the right to check the correctness of the class and yardage of all shooters after completion of the event, and anyone winning trophies and/or money, who competes in an incorrect class or shoots from the wrong yardage, knowingly or unknowingly, shall forfeit any trophies or money won in that event.

TARGETS - TRAPS - BANKS

A total of 53 traps are available, 48 program (12 banks) and 5 practice. Traps will be set each morning and before each event where applicable. The number of banks used each day is listed in the program.

TELEPHONE PSSA has a telephone in the office where you can be reached if necessitated by an emergency at home. The PSSA telephone number is (570) 672-9747. This phone is not available for outgoing calls. Because of the proliferation of cell phones and the high cost of pay phones there are no pay phones available on the PSSA grounds.

TROPHIES

PSSA TROPHIES Any shooter who ties for or wins more than one trophy in any event (other than a first place trophy or an ATA trophy) is eligible to take or shoot off for either trophy. However, the shooter must elect one or the other; he/she is not eligible to shoot off for both, nor can the shooter postpone the decision until after the shootoffs have been held. The election as to what trophy the shooter wishes to take or shoot-off for can be made by the shooter notifying shoot management before shoot-offs begin. In the absence of such election, management will make the election and their decision will be final. In making their decision, they will first decide the special category trophies, i.e., lady, veteran, junior, etc.

NOTE: This limitation does not apply to ties for a championship trophy, or a high male or high female trophy in any event where there is not a championship trophy.

ATA TROPHIES The current rules of the ATA as found in Section X, Paragraph D, apply for these tournaments. The Trophy Case will be open during shoot-offs and at other times posted on the case.

TV-RADIO

WATCH THE TV Monitors for On-Deck Squads. This information, as well as leading scores, can be found at 89.3 FM on your radio and Channel 19 on your television.

Vendors may not SELL or DISTRIBUTE ammunition.

YARDAGE REDUCTIONS

Handicap yardage reductions received by a shooter during the course of a shoot shall be honored. However, the shooter must have the new card in his/her possession and present it to the classification committee for reclassification to their new yardage.

\$1000 Miracle Option

& Silent Auction

PSSA and the Valley Gun & Country Club, in conjunction with Geisinger Medical Center's Children's Hospital, are proud to sponsor Children's Miracle Network Day. A \$1,000 prize is being offered to all shooters who participate in the Children's Miracle Network option during the handicap event today (Event 5). This \$1,000 will be given away according to the rules as explained on p. 4 except that you **MUST participate in the Children's Miracle Network Option** to be eligible. PSSA and the VGCC are providing the \$1,000 in the hopes that all shooters will participate in this option - creating a much larger donation to the Children's Hospital. **ALL proceeds from the option will be donated to the Children's Hospital.**

In addition to the \$1,000 option - a **Silent Auction** will be held in the Hall of Fame Room with ALL proceeds going directly to the Geisinger Children's Hospital. Many fine items will be available for your bidding pleasure and we ask that you make frequent and generous bids for these items - this is a most worthy cause. **PSSA TRAPSHOOTING
HALL OF FAME
2009 INDUCTEE**

Dr. Stephen Ollock

Stephen "Doc" Ollock began his registered trapshooting career in 1978 and scored his first 100 X 100's at the Pennsylvania State Shoot in 1979. Since that first 100 straight in 1979, Doc has amassed 155 additional perfect centuries and thirty eight 200 X 200's to establish himself as one of Pennsylvania's premier trapshooters.

Along the way, Doc has led all Pennsylvania singles shooters six times since 1994, including averages of .9944 in '96 and .9935 in 2000. Singles titles include championships at the Pennsylvania State Shoot, PA Grand, Keystone Open, Zippo Shoot, Grand American, Eastern Zone, Arizona State Shoot and Maryland State Shoot.

While Doc has clearly established himself as a premier singles shooter, he has also set high marks in doubles and handicap. He led all Pennsylvania gunners in doubles averages in '84 and in 2000 with a state record average of .9800. In 1999, Doc secured the Pennsylvania State Doubles Championship with a score of 98 X 100. Over the span of his career, Doc has recorded nineteen 100 X 100's in doubles, including seven during Pennsylvania State Shoots.

Highlights of Doc's handicap shooting include a score of 98 X 100 to win the ATA Western Zone Handicap Championship and finishing 3rd, 4th and 5th during the Championship Handicap event various years at the Eastern Zone.

As a tribute to his overall talents, Doc has won the coveted Pennsylvania Attorney General's Cup four times. Ollock has also been a member of the Pennsylvania men's State Team for 18 consecutive years, honored as captain four times.

He won the Pennsylvania State High Over All Championship in '96 and '05 and he won the Pennsylvania State High All Around Championship in '96 and 2000.

We congratulate Doc Ollock as the 2009 Pennsylvania Trapshooting Hall of Fame inductee.

TRAPSHOOTER of the YEAR

2009 INDUCTEE

Dylan Darhower

The word exceptional comes to mind when describing the year Dylan Darhower, of Mechanicsburg, experienced in 2008.

Dylan started winning at the PSSA home grounds in Elysburg in the Spring and never stopped. At the PA Eastern Zone shoot in May he went home with Sub Jr trophies in all three disciplines - Resident Champion in Singles and Open Champion in handicap and doubles. A week later at the Keystone Open he won two more.

Dylan was really on a roll when the PA State Shoot came around in June, winning more than any other competitor on the grounds in those nine days - fourteen. Included in these impressive results were Sub Junior championships in Class Singles and Doubles and the State Handicap championship and Sub Jr Runner-up wins in State Singles and Doubles championships. He also was the High All Around and High Over-all Sub Junior Champion as well as the Sub Junior Attorney General's champion.

In July Dylan travelled to the ATA Eastern Zone Tournament and again dominated the Sub Juniors with six wins including EZ Sub Junior champion in singles and doubles and topping it off with the Sub Jr High All Around and High Overall awards.

Dylan also won Sub Junior trophies at state tournaments in New Jersey (3), Maryland (3), and Virginia (6). Dylan complete his impressive summer with trip to the Grand American where he won Sub Jr. 3rd in the Class Doubles.

Combining all of the successes Dylan experienced in 2008 it is easy to see how he earned All American (fourth in Sub Junior with 1198 points) and All State (fourth on the PA Jr./SubJr State Team) accolades. He finished the year with a 96.64 average in singles, 91.05 average in handicap and 88.13 average in doubles for a composite score of 91.94.

Congratulations, Dylan, on a very successful year of trapshooting - it has earned you a place in the PSSA Hall of Fame as the 2008 PA Trapshooter of the Year.

WESTY HOGANS - Who, What, and Why?

The Westy Hogans organization was conceived at the first Eastern Handicap in Philadelphia in 1906 when 12 industry representatives, spearheaded by Neaf Apgar of the Peters Cartridge Co. proposed a group to promote trapshooting. As tradition goes, the sole purpose of the Westy Hogans shoot is "to show an appreciation of the support the shooters have given the industry through the year and to offer a well-run shoot." The tournament began in 1907 on the Eastern Seaboard.

Where did the name "Westy Hogans" originate? At that first 1906 meeting Apgar asked for suggestions for names from the group. Someone suggested Westy Hogans after a well-known PA coal miner who was of a "sporting nature." The Sept. 27, 1930 edition of Sportsmen's Review offered this description, "He was said to be a bully who was a prize fighter...Hew also did some trapshooting and was an all-around sort of fellow....a diamond in the rough."

The annual tournament has been held in several locations with the first at Young's Pier in Atlantic City in 1907. After the pier was destroyed by fire in the Spring of 1911, Venice Park in Atlantic City was the site until 1917, and Chelsea Heights, also in Atlantic City, was the host through 1933. This shoot was moved from Brigantine Beach to Asbury Park, NJ in '36 and continued there until '62. Other locations have included Atlantic City GC on the Boardwalk, Parker's Outdoor World in Hopewell Junction, NY, Pine Belt SC in Indian Mills, NJ, Maryland SA Homegrounds in Thurmont, MD; Millington Gun Club in Millington, MD, and now in Elysburg, PA at the PSSA homegrounds. The organization has had 22 presidents in its 99 years, with Apgar at the helm for the first 40.
